Mr. Donald Hobson Sr.

I would like to take this opportunity to congratulate you and all of RMA Land Construction, Inc. on a successful base contract year at Golden Gate National Cemetery. The headstone and marker work was performed to standard and has a significant role to play in improving the overall appearance of the cemetery as we strive to attain and maintain National Shrine status.

Additionally, I would like to commend the on-site RMA employees, namely; Steven Locklar, Delonzo Ellis and Scott Rush, for their dedication and commitment. The work ethic and professionalism that they display daily is worthy of emulation.

I look forward to continuing to partner with your organization as we collectively work toward the common goal of honoring veterans with final resting places in national shrines and with lasting tributes that commemorate their service to our nation.

Sincerely,
