### ***RMA Wins Two Small Business Set-Aside Long-Term Contracts – SB GMAC AND SB MACC***

Anaheim, Calif. (Aug. 10) - **RMA Land Construction, Inc., (RMA)** was awarded two Indefinite Delivery Indefinite Quantity Multiple Award Construction Contracts from the Department of the Navy. The Small Business Global Multiple Award Construction Contract was awarded to RMA by NAVFAC Pacific. RMA was one of five(5) other Small Business contractors to be selected for the \$400M contract for construction projects at military installations located worldwide. RMA was also selected as a contractor for the \$750M Small Business Multiple Award Construction Contract for new construction and renovation of DoD facilities at various locations in the NAVFAC Southwest area, including California, Arizona, Nevada, Utah, Colorado and New Mexico.

RMA Land Construction, Inc. is a design-build general contractor with 28 years of proven experience on various projects for the Federal government and Department of Defense (DoD) clients. RMA provides design-build management for a multitude of projects in globally diverse locations, including new vertical construction and renovation of administrative buildings, military barracks, hospitals, fitness centers, maintenance facilities and special ops facilities; high and low voltage electrical distribution; heavy and civil/horizontal construction; and maintenance and support services.
